To All Center Stage Students and Their Parents,

On Monday, April 22nd and Wednesday, April 24th Images By David will be photographing all of the Center Stage Dancers individually and in their groups (see reverse for schedule).

Important: *The Photographs will be taken at our studio, not at “Center Stage”! (Please see below for directions)*

VERY IMPORTANT: Our studio has moved to a NEW LOCATION. 456 Glenbrook Rd, Suite #2 (2nd floor...left off elevator). Just North of St Maurice’s Church. Much better parking!!!!

1. All dancers should arrive 10 minutes before their scheduled time, *dressed and ready*, to avoid delays. See the attached schedule for your specific class times. **The group photos will be taken first!** It is not fair to those that are on time to have to wait for those who are not! Please leave your personal cameras at home! They are distracting to both the dancers and the photographer and will cause delays.
2. Due to time constraints, those dancers having more than one costume must choose their favorite costume for their individual photographs. For parents having more than one child at “Center Stage”, that would like a sibling photograph taken...please make our studio representative aware of your request. We will be happy to do so.
3. The photographs will be taken at Images by David’s studio. There is no charge for the taking of these photographs and there is no obligation to purchase them. We are requesting 100% participation in the photographs so that none of the dancers feel left out when the group photos are displayed at the recital. There will be price lists available on picture day.
4. ***Proofs will be available for viewing “on-line” on Friday, April 26th after 5:00pm.***
5. All imperfections (stray hairs, blemishes, etc) will be retouched on all prints ordered.
6. ***For the convenience of our “Center Stage” parents, the individual & group pictures can be viewed & purchased on-line. To view the on-line photos... go to our web site... www.imagesbydavid.com ...click “on-line events” (on the menu bar)...you will be asked for a username: Center Stage 2019 and a password: 6724.***
7. ***For those parents who prefer not to order “on-line”, you may order your photos by calling the studio directly @ 203-324-9311, by email @ david@imagesbydavid.com or by coming in to see us at our studio by appointment.***

Images by David has been photographing our Center Stage dancers for over 30 years. We are delighted at having consistently pleased our dance school students and their parents. If any of our dance school parents have any requests or suggestions please feel free to contact us at 203-324-9311.
